First of all, this pretty comfort room is ideal for a relaxing stay in a Guest House on the occasion of your visit to Chablis. Just like in a Hotel, we provide you with a king size bed 180×200. But unlike a classic hotel, breakfasts are

included in the service. In addition we can provide a free cot for a baby. You also have the possibility to request an extra bed for a child 80×170.

On the other hand, you will find a welcome tray with Nespresso coffee, many comics and videos. In addition to the television, you will have free wifi access.

Upon the booking we require for 30 % deposit. By this secured way, you do a direct booking without Internet Travel Agency with Best Price all the long the year.
